

# Garmau aphmau and garroth

👁 78 ✓ 3 ★ 3

## Chapter 1 by Sophia Hughes

I was walking along the path on my street. As I ran into Garroth it was Valentine's Day. Garroth started to talk. "Aphmau will you be my valentine?" I was shocked at his words I accepted. So we went to dinner together. He proposed to me I accepted!

## Chapter 2 by SaintSayaka

Some might ask me why I moved so quickly into this relationship. Honestly, I ask myself the same thing every day. I love the kids, but they're about all that keep me chained to this relationship. And even they do not need me anymore. High school marked the year of the triplet's independence. Suddenly, getting makeup tips from mom was uncool, as was Saturday Game Night. Garroth needed me for even less. Once the natural beauty of my body began to decay to age, he dropped me like a hot stone.

But after this spell is complete? We'll see how fast they come running back to little old Aphmau.

## Chapter 3 by Riri

"Mutatis Mutantis" my old friend, Lucinda, says, waving her smooth hands over my crippled body. She claims she does this everyday since we are both the same age yet she looks 10 years old.

Sparkling particles rise around me, encasing me in glitter and shining light.

My eyes open to a clear world around me, no longer all fuzzy from my nearsightedness.

I know we both still love each other but we have grown apart. Our old memories are too old to remember. I do now though.

"Wow." Is all I can manage while Lucinda and Bigglesworth's daughter, Louise, leave. Bigglesworth died too. Laurance has. Cadenza is still struggling as a former lord in Meteli. Kenmur did too but Emmalyn and their sons are still alive. It seems dismal but they all left an amazing mark.

"No problem." She smiles. "I like this you better anyway. See ya." Lucind opens the creaky door and leaves.

I can't wait for them all to see me. Garroth, Levin, Malachi and Lillith will love my old me. Well, my new me.

#### Chapter 4 by neo ! [nooelletailes]

I thought of their reactions, just priceless! Then I thought of how the might actually react. What if they think of stuck-up for doing a spell to make me younger? What if they see right through my skin and--Wait, psssh! Aphmau, clam down! You need to just be prepared! (Sorry its short!)
